Call to Action

- Network and connect with individuals and organizations that attended the meeting. Let us know if you need help finding contact information.

- Reach out to us if you connected to a new organization after attending this meeting. We would love to celebrate with you regarding this new collaboration.

Community Partner Updates

- Andy Sykes offered to share information to WSU students.
- Kris Nicholson mentioned a new statewide Childcare Health Consultant Network offered by DCF and KDHE.
- Let Patty Stuever know ways students can be involved and she can get that information out to them.
- If you have questions or interest either for Cairn Health services, OR if you have questions or would like more info about the [Health Alliance](#), please contact Aaron Walker.
- If you would like more information on the Central Plains Area Agency on Aging, contact Amy Arnold. Also share their older adult services survey found at www.cpaaa.org.
- Hillary Zwetzig is in charge of Compeer, the mentoring program at MHA. She has matches that would be interested in getting involved in anyway they can. I also am always recruiting new mentors!
- Krista Sanderson at [Eat Real America](#) would love to give you some more information about their virtual cooking demos - they have been super successful and well received!
- **Getting a Head Start on the Oregon Trail** - Promoting family time outdoors! This grant-funded project includes a fully illustrated story with original characters and a themed activity book with an adventure map and stickers. These bi-lingual materials were created by Child Start, Inc. for use with Head Start families, but are free to download and print to use with your own family. Click [here](#) for the website, or contact Andrew Hodgson.
