

TFW Coalition Virtual Meeting - SUMMARY
Friday, July 15, 2022
11:00 a.m. to 12:00 p.m.

Mission: To protect residents of Wichita/Sedgwick County from the adverse effects of tobacco.

Discussion

1. Welcome/Introductions/Partner Updates/Events

- a. Ron is retired from Boeing and has been involved in TFW for decades because family members' lives were ruined due to tobacco. 1965 was a peak year for smoking - over 50%. People like us (TFW) have helped this come down! His grandkids don't have a clue what smoking used to be like. Hopefully new laws will help, Ron would like to see taxes raised. He will write to Dillon's asking them to stop selling tobacco. Wal-Mart is piloting eliminating tobacco sales in a few stores.
- b. Kim - End of year grant year reporting is officially finished. Ready for 2023.
- c. Diane - health educator Reno County Health Department, CDRR added in childcare and second hand smoke.
- d. Jill - Oversees the SCHD team that goes into the community to do education.
- e. Daisy - Community Health Analyst - completing Community Health Assessment for Sedgwick County. Look for a priority survey in August. Community Health Improvement Plan meetings with partners starting in October. Series of three meetings, partners are encouraged to attend all three, as they build off each other.
 - i. Location: Sedgwick County Extension Office - 7001 W 21st St, Wichita, KS 67205
 - Tuesday, October 18th from 8am-2pm
 - Monday, November 14th from 8am-2pm
 - Tuesday, December 13th from 9am-2pm*Breakfast and lunch provided
 - ii. Feel free to share dates with those who you think will be interested. More details to come, for now save the dates! For more information, contact Daisy.Urbina-Ceja@sedgwick.gov
- f. Cierra is transitioning to a new career, her last day with SCHD is 7/25, their team is working on piloting programs in high schools in the fall.
- g. Ruth - with Nye & Associates
- h. Aubrey - new SCHD outreach health educator

2. Celebrations: 11:05-11:10

- a. Love Your Community Event was a success on July 9th. Big thanks to Elena for volunteering at the event and leading the Spin the Wheel activity!

3. Education 11:10-11:40 ACE's and smoking from Anne Maack

- a. What does the Kansas Behavior Risk Factor Surveillance System ([BRFSS](#)) tell us about ACEs and Smoking?
- b. First 18 years of your life did you experience one of the 10 types of Adverse Childhood Experiences? Resulting in a score of 0-10. By category, not number of times.
- c. Initial findings - ACEs are prevalent - 64% had at least one. Higher ACE = risk for negative health outcomes.
- d. BRFSS - sample size 10,000+even years, 20,000+ odd years
- e. Ruth - Does BRFSS reflect demographic data on smoking? See 2014 data linked in July summary newsletter.
- f. Daisy - SC did recent data and is on the health department [website](#).
- g. ACE prevention is tobacco prevention!
- h. Upstream prevention of tobacco use
 - i. Childhood trauma has been in the forefront for the past 20 years.
- i. How do we prevent ACEs? Kansas Power of the Positive - statewide agency working on ACES - facilitated by WSU CEI. Locally Wichita Coalition for Child Abuse Prevention. Supporting safe, stable, nurturing environments for children.
- j. Resources to learn more - [familyfriendlyks.org](#) - campaign.
- k. KCSL convenes WCCAP - meets 3 times per month + small group meetings. Child care workgroup. Child abuse fatalities during child care. For every one slot 13 children need care - child care scarcity. Community presentations to employer influencers.
- l. How can the CHA/CHIP be more of a tool? Community meetings to voice their opinions of the priorities. How can we raise the issue?

4. Ongoing TFW Initiatives 11:40-11:55

- a. Youth Possession/Use/Penalty effort - not discussed due to timing
- b. Tobacco Free Parks - August 8th presentation to City of Wichita Park Board
- c. TFKC and State Legislative Updates - not discussed due to timing

5. Open Discussion/New Ideas 11:55-12:00

- a. Ron - what do we need to do with the city council/state - in a restaurant can't smoke, why allowed at a Hookah bar? Kim is meeting with Kari and will ask and report back to Ron. Asked about selling tobacco to under 21. Placement of tobacco - content neutral is still in the works with city staff and council. "Easy win" Adding vaping to clean indoor air. Establishments in south wichita where smoking is allowed - district attorney is not pursuing - difference between city/state law. Issue is vaping.

Next meeting: September 16th, Location TBD
